
Rainbow Lodge

The Rainbow Lodge has been around for 30 years and recently moved to a new location (the old location is now Brenner's on the Bayou , a Landry's owned franchise). The grounds and a 100 year old log cabin features dynamic views, 3 fireplaces, a citrus grove, kitchen garden, creek views, decks and patios, a casual fun bar and 4 private dining rooms. Wild game and Gulf seafood are the signatures here in the cozy lodge setting. Minutes from Downtown, Rainbow Lodge is good for its delicious food and fantastic wines, but most of all its rustic ambiance.
